# SABBATH PREPARATORY ACADEMY STUDENT-LED PARENT-TEACHER CONFERENCE CHECKLIST

Dear Parent/Guardian:

For the 2019-2020 school year, Sabbath will begin to hold student-led parent/teacher conferences. This is a great time to give our students another opportunity to have their voice heard as they discuss their progress (strengths & weaknesses) in class. We must move to a place where students are taking ownership for their learning or lack thereof. The questions below reflect some of the most common areas of parental concern. Please note any questions you want to ask your child's teacher:

1. How is my child doing in your class? What are my child's grades?
2. Is my child in any special classes, groups, or programs? Why? Why not?
3. How does my child's work compare to the work of other students?
4. Is my child working up to his/her ability?
5. What goals have you set for my child this year? Do you anticipate that my child will meet those goals? Why or Why not? (What goals have I, as the parent/guardian, set?)
6. What programs are available if my child needs extra help?
7. Has my child missed any classes or failed to complete any assignments?
8. Does my child participate in class discussions and activities?
9. How well does my child get along with others? Have any incidents at school involved my child?
10. What concerns do you have about my child's behavior or academic progress?
11. What specifically are my child's strengths and weaknesses?
12. What can I do at home to help my child achieve?
13. What can I do to help?
14. How can I get in touch with you?
